YOR LUZURIAGA'S SPEECH IN THE CORTES.

of its intention to abolish slavery in Cuba was either gomery, Ala., the 28th ult., which says:

his speech that the emancipation of the blacks would the trip. None can go without that much.

M. Olozaga, conceived in the following terms: government. Signed,

SALUSTIANO DE OLOZAGA. Palace of the Cortes, March 8th, 1855.

Know-Nothingism in Kentucky. John Rowan, e-q, of Kentucky, having been calad upon from several quarters to become the de oto assume the position, for reasons alleged in a let- ing a doubt on the subject. Yours respectfully, tor to the Louisville Times. He says:

" | am unwilling to peril the fair prospect of the jurty by becoming their standard bearer in the next miest, for the simple reason that my wife is a Cathlie. I see that a respectable whig paper (the Comminuca th) estimates the number of know-nothings Kentucky at fifty thousand; and as I have been stormed by good authority that no man who has a Tatholic wife can be a member of that society, it is fair to presume that they would not vote for a man so circumstanced. If this be true, fifty thousand ciyou are a native of Kentucky, and your ancestors were among the pioneers of this fair land -what though your grandfathers, Lytle and Rowan, lost the earnings of their lives - the first by the torch of he Indian, the last by the moneys of the Continen-I Congress-what though they did toil on, fighting e Indian and felling the forest, and under all these ficulties educate a portion of their families, and that portion not unknow or undistinguished in the all not be governor of Kentucky, Mr. Rowan, beuse your wife, exercising the privilege guarantied the constitution of the United States and the con-State in the confederacy, to worshe pleases, is a Catholic. It matters aggression .- Richmond Despatch. at the ancestors of that wife were of those he landed with lord Baltimore, and established the ood eld colony of Maryland, (to this hour the home according to the dictates of their own consciences."

[From the New Orleans Bee.]

motion of dollars was staked on the event of the mee. The various circumstances upon which so uch depends for success in a race were in the highst degree favorable. The condition of the horse and the track were excellent, the sky clear, and the r warm and balmy. The day could not possibly

At about quarter of four o'clock Lexington started f, followed by the well known horse Arrow, which ave for a time to the spectacle the appearance and cas made easily in 1.474; the second in 1.524; the and in 1.514; and the fourth and last mile in 1.474; he whole distance having been run in the incredibly mort space of 7.193; and the proposed feat accomished. The announcement of the success of Lexagton, from the judge's stand, was responded to by aund upon round of applause from the astonished subitude. The time in which Lexington ran the our miles is 64 seconds under that which Lecomte ak last spring for the same performance, which was hen the shortest time on record.

This race is the most wonderful which has occurred nodern times, and Mr. Ten Broeck now enjoys the fund supremacy of owning the fastest horse in Anenca, if not in the world.

On the 14th, Lexington is to run with Lecomte, by bon we was defeated last spring, and the result of esterday will undoubtedly tend to make it one of the
